Wainui Water Results January 2026.pdf; One NZ Plan Offer Associations - PPCC.pdf;

Hi Everyone,

Hope you are all doing well, great to see the sun again!

Please find attached the latest Water testing results for January and a flyer for One NZ.

We have also started the pest control last week, we have 3 farms this month taking up the opportunity to install some cameras to see what is out there, Sue and Shaun Morgans, Brian Hales and Ian and Fiona Healey. We would like another 3 Farms for next month and the following month also please. If you could get in touch with me if you want to set some Cameras and Chew cards up for next month or the following that would be great and I can work with June to organise it. If you are in the village and would like some Chew Cards to put on your property to see what pests you may have let me know and I can give you some. Look forward to hearing from you.

Many Thanks

**Ian Healey**
